SW-i2.1 1100
Stylish 2.1 Speaker System

SW-i2.1 1100 Piano Black Available now

In addition to its popular white system, Genius is now offering a new *piano black* finish to its popular 2.1 speaker system, SW-i2.1 1100. This gives you an additional choice to improve your surroundings with an outstanding speaker system.

Makes music a gift to share with friends

Experience rich and crystal sound from the Genius SW-i2.1 1100 3-piece speaker system. In a glossy white and unique design, SW-i2.1 1100 shows not only a stylish taste, it also provides excellent sound quality when you listen to your music collection. The wood subwoofer cabinet built-in 5.25" driver delivers solid and distortion-free lows; harmoniously incorporates satellite speakers with 48mm & 32mm Neodymium magnet micro drivers in each to produce peak performance. A wired remote control provides full functions including power on/off, volume adjustment, earphone jack for private listening and a line in input for connecting to portable audio devices, such as MP3 players, portable CD players, cassette players and walkmans.

Let the SW-i2.1 1100 be the best companion of your portable audio devices for private listening or as a gift to share music with friends. Contact your sales representative for more information.
